## BRITISH NATION MUST DEVELOP ITS MAXIMUM FIGHTING CAPACITY IN MINIMUM TIME

### EXTRA ADMIRAL ON CHINA STATION

Rear-Admiral A. J. L. Murray has been appointed to the newly created post of Rear-Admiral in the Fifth Cruiser Squadron as from April 14.

He was in command of the Signal School at the Royal Naval Barracks, Portsmouth, from August, 1937, until some weeks after his promotion to flag rank in January of this year. He has commanded the Sixth Destroyer Flotilla and was decorated for service in North Russia in 1919, when he was wounded.

The Fifth Cruiser Squadron is the nucleus of the British Naval Forces on the China Station, of which Vice-Admiral Sir Percy Noble is Commander-in-Chief. Another flag officer is already maintained on the station in the person of Rear-Admiral R. V. Holt, who is Senior Officer on the Yangtze.

Rear-Admiral Murray's post is an additional one, created with a view to relieving the Commander-in-Chief of some of the growing administrative work. His flag will doubtless be hoisted in one of the five ships comprising the Fifth Cruiser Squadron.

### JEWISH STRIKE

HAIFA, April 23 (Reuter)—A Jewish strike was proclaimed throughout the city as a protest against the authorities for having ordered to sea two Greek steamers which had arrived with four hundred illegal immigrants.

Disturbances occurred in Haifa this morning during which police were stoned.

### SECOND FRENCH AIR CRASH IN 24 HOURS

PARIS, April 23 (T/Ocean)—A serious air crash, near Tours, cost the lives of nine members of the French Air Force on Saturday.

Two bombing planes collided at a low altitude as both were about to land at Saint Symphorien Aerodrome and crashed in flames. Nine passengers, including two lieutenants, were killed in the crash or burned to death because although both planes fell upon the landing field, the heat was so fierce that the aerodrome personnel was unable to approach them.

This is the second serious crash during the past twenty-four hours, a bombing plane with five passengers having crashed late on Friday night near Beauvais.

### FARMER ROBBED IN PINGSHAN

The latest of a number of armed robbers in the New Territories was reported from Pingshan yesterday.

A farmer, Chan Ying, 51, and a widow named Tang Chiu-hai, who occupied unnumbered huts in the district, had all their clothing stolen when their abodes were entered by armed men about 1 a.m. yesterday morning.

The two robberies are apparently committed by the same men, but how many robbers there were is not known. The value of the missing property is over \$10.

## Determination Of All Shades Of Public Opinion To Face Seriousness Of The Hour

### DIPLOMATIC PRESSURE MAY BE BROUGHT TO BEAR ON POLAND

LONDON, APRIL 23 (REUTER)—THE FIRST ROUND-UP OF HEAT IN THE POLITICAL FIRES WHICH SEEM LIKELY TO CHANGE THE FACE OF EUROPE ANEW—not necessarily in the territorial aspect of the democracies have their way—shows no sign of cooling off. The realization of this weighs heavily in the British press on this St. George's Day. The serious attention devoted to the situation in all its complex aspects, despite the absence of surprises since President Roosevelt startled the world with his message to the dictators, is eloquent proof of the steady determination of every shade of public opinion to face up to the seriousness of the hour.

#### IMPORTANT ASPECT

While the democracies and the axis powers are popularly seen as engaged in something of a race to woo the smaller powers before Friday when Herr Hitler is due to reply to Mr. Roosevelt there is acknowledgment in plenty that this does not complete the present picture.

As the "Sunday Times" observes in an editorial, however the diplomatic picture may vary in detail from hour to hour one thing is not changing and that is the present necessity for the British nation to develop its maximum fighting capacity with the minimum time. Thus the issue of "conscription" is being raised anew in some journals.

Whether or not the Far East will enter into the Anglo-French agreements with the Soviet is still a matter for conjecture but reports from Paris do not support those despatched yesterday.

#### REVOLUTIONARY MEASURE

Led by the "Observer" they affirm that the matter is being raised again at the meeting of the Cabinet to-morrow and give further currency to reports in the past forty-eight hours that France has made a new plea for the introduction of what, to this country, will be a revolutionary peace-time measure.

The aim of British policy in the Balkans is seen by the diplomatic correspondent of the "Sunday Times" as an endeavour to promote a neutral bloc of countries (no doubt including Bulgaria) pledged to come to each other's assistance.

The importance of the Anglo-French negotiations with Turkey in connection with the eastern Mediterranean is underlined by the diplomatic correspondent of the "Observer."

## Soviet Co-operation With France & Britain

PARIS, APRIL 23 (TRANSOCEAN)—FOLLOWING A CONVERSATION WITH THE FRENCH PREMIER, M. DALADIER, ON THE SOVIET PACT PROPOSALS, THE FOREIGN MINISTER, M. BONNET, RECEIVED ON SATURDAY THE SOVIET AMBASSADOR, M. SURITZ.

The Ambassador is understood to have emphasized the necessity for a speedy reply to the Soviet proposals.

The Paris evening papers, particularly the "Intransigent," continue to believe that the Soviet proposals for collective security obligations could be solved by the signing of a Tripartite Pact between Paris, London and Moscow, in which bi-lateral, or even one-sided guarantee pacts, concluded by France and Britain could be included.

#### FRESH CONVERSATIONS

LONDON, April 22 (Reuter)—It is believed that Anglo-Soviet negotiations are nearing a satisfactory conclusion. Sir William Seeds, on instructions from London, again saw M. Litvinoff to-day.

#### LONDON VIEW

LONDON, April 22 (BWS)—A semi-official statement says that negotiations in Moscow between the British Ambassador and the Soviet Foreign Minister are being actively pursued, and the progress so far made encourages the hope that they will result in Russia becoming associated in the efforts which are being made on British

and French initiative to buttress peace in Eastern Europe.

It is understood that suggestions made on behalf of the British Government that as part of the security system, Russia should extend to neighbouring states an offer of assistance in a form acceptable to them to resist aggression, have been carefully examined by the Moscow Government, and that that Government's observations on these suggestions are being carefully studied in London and Paris.

#### GOOD PROGRESS

Good progress is also being made in the Anglo-Turkish consultations which are pro-

### NEW YORK SCOUT AT RALLY

THE COLONY CHIEF SCOUT, H.E. Sir Geoffrey Northcote, photographed in conversation with Patrick Donohue, of the New York Boy Scouts, at the Prince of Wales' Banner Rally held at the Diocesan Boys' School on Saturday afternoon. The A.B.P. Officer, Wing-Commander A.H.S. Steele-Perkins, is on the extreme right. Mr. Donohue only recently arrived in the Colony.

## Chinese Journalistic Censure

Following representations from newspaper circles in many parts of the country, the Central News Agency, a semi-official organization, has discontinued the supply of news to the "South China Daily News," local vernacular morning paper.

The paper is edited by Lin Pei-sheng, former member of the Legislative Yuan and one of Wang Ching-wei's secretaries, who was severely attacked in Des Voeux Road (some time ago and in connection with which the assailant was sentenced at the March Criminal Sessions to 15 years' hard labour.

Owing to its reactionary activities, the paper has already been banned from circulation in China. The present step is described as a measure of censure by the Chinese journalistic profession.

## ALARM RAISED BY PLUCKY FOKI

Wanchai Chase In Early Morning

### THREE MEN CAUGHT

An early Sunday morning chase in Lockhart Road resulted in the apprehension of three out of four men who attempted to rob a furniture dealer's shop.

About 3 a.m. yesterday, the Tsui Cheung furniture store was entered by the four men, two of whom were armed with daggers. While the shop was being searched, one plucky foki, however, managed to run out of the premises and blew his police whistle.

The would-be robbers became alarmed and bolted, but were chased by the foks and neighbours attracted to the scene. One man was caught near the Bowington Canal Road, and two others were later arrested by the police.

Nothing was stolen from the furniture shop.

## NORWEGIAN SHIPS DETAINED BY JAPANESE

CHUNGKING, April 23 (Central)—Two Norwegian ships have been detained by the Japanese in Mamiol harbour in Fukien, says a Shanghai report.

It is learned that the Norwegian Consulate-General in Shanghai will protest to the Japanese Consulate-General and request for their release.

With apologies to the Hongkong Rifle Association.

## CHINESE ON OFFENSIVE IN KIANGSU AND CHEKIANG

### ROBBERS ENTER PREMISES UNDER PRETEXT

Oranges Used As Gags

"I have brought something from Tim Sha Tong," stated a voice that 16-year-old Yip Han-chan heard from outside of 12, King Kwong Street, first floor, about 3 o'clock yesterday afternoon.

Yip, who had a relative living at Tim Sha Tong, opened the door to admit three men, all strangers. The men carried a bundle.

Within a few minutes, Yip, her grand-aunt Yip Poon-soon, 66 years of age, and an amah, Leung Ah-fun were bound and gagged with the oranges that the bundle mentioned contained, and thrust into a rear cubicle.

The robbers were armed with a rusty automatic pistol, and with knives. They stole a \$200 diamond ring, other jewellery to a value of \$125, and \$223 in money.

Tiam Hok, 14 year old cousin of Yip, returned home at 4.30 p.m., when he also was bound and gagged. The robbers stayed at the flat for more than an hour, left shortly after Tiam's return.

### STATE OF EMERGENCY

CHUNGKING, April 23 (Central)—Nanshih, in the Chinese city in Tientsin, was in a state of emergency yesterday morning, states a Tientsin message.

While the cause of the Japanese vigilance was not ascertained, it was rumoured that another Japanese soldier was murdered by unknown assailants.

## Units Driving Toward Hangchow And Kashing

KINHWA, CHEKIANG, APRIL 23 (CENTRAL)—THE CHINESE ARE ON THE OFFENSIVE IN SOUTH KIANGSU AND NORTH CHEKIANG. Three Chinese columns are advancing toward Nanking and Chin-kiang by the Nanking-Hangchow highway while another column is pushing toward Wuhing, famous silk town on the south bank of the Taihu Lake.

Chinese units which have crossed the Chientang River are driving toward Hangchow and Kashing.

#### BREAK INTO KAIFENG

LOYANG, April 23 (Central)—For the third time, within a fortnight, Chinese troops broke into Kaifeng in an attack early on Thursday morning.

Despite the vigilance of the Japanese, the Chinese smashed into the city and set fire to many military establishments. Over 200 Japanese were slain in street fighting.

The Chinese withdrew after dawn.

The Japanese Command in North China has ordered the suspension of passenger service on the Peiping-Hankow Railway and the Chengtai Railway for three weeks to facilitate the transport of puppet troops from Manchuria to Talyuan and Kaifeng as reinforcements.

#### ARMoured TRAIN DYNAMITED

CHENGCHOW, April 23 (Central)—A Japanese armoured train was dynamited near the Yikou station on the Peiping-Hankow Railway in Honan, on April 11, resulting in the heavy damage and some 120 casualties.

Acting on information that the train was going from Sinsiang to Changteh, Chinese troops laid

mines near Yokou station. The train arrived and struck the mines. The locomotive was destroyed and five armoured wagons were derailed.

#### ATTACK ON KAOAN

SIUSHUI, KIANGSI, April 23 (Central)—The Chinese continue their counter-attack on Kaoan, about 40 miles south-west of Nanchang. The right wing has reached Tsao-tsun, only a mile from the town, while the central column is at Wulipai.

Chinese troops crossed the Chin River and attacked the Japanese on the north bank yesterday. Several points were retaken and a quantity of Japanese military supplies seized.

#### CHINESE DAMAGE HIGHWAY

ICHENG, HUPEH, April 23 (Central)—After heavily damaging the Tienmen-Tsao-shih highway in central Hupei, a Chinese guerrilla unit ambushed a Japanese column of 300 men on the bank of the Ying River on April 20. In a two-hour engagement two Japanese officers and 11 soldiers were killed and seven cases of ammunition and other military supplies were seized.

## HEAVY GOING RESPONSIBLE FOR SOME UPSETS AT RACE MEETING

### Punters Go Off Book Of Form: Two Win Dividends Over \$100

#### MR. C. CHURCHILL LEADS JOCKEYS' LIST

THOUGH HELD IN EASILY THE MOST UNPLEASANT DAY that has greeted racers thus far this year, the third extra meeting at Happy Valley on Saturday was in some ways the most successful thus far. Punters, at any rate, had no cause for complaint. Though no dividend exceeded \$150, there were two of over \$100, the average for a winner was over \$50, there were more double-figure than single-figure place dividends, and the Daily Double paid \$672.50.

The course was in a cut-up state, the going being very heavy; perhaps this was responsible for the surprising choices of punters in some events, which resulted in unexpectedly high returns. There were only two mishaps, however, neither of which was serious.

These were in the second section of the Fatshan Handicap, when Amberley pulled a muscle near the Village Bend and had to be walked back, and in the last race of the day, the Kongmun Stakes, when Mr. G. R. Payne was unseated from Boney. He was not injured, and rode in the race after the pony had been brought back from the paddock.

The most successful jockey was Mr. C. F. H. Churchill, who had two wins in three starts, and Mr. L. Lan-sang headed the list of owners with two wins and a second.

Ten people nominated the right combination for the Daily Double—Triumphant Day and Pinfarthings.

#### RACE 1

##### ST. KILDA HANDICAP

The advantage of carrying least weight enabled Perfect Day (Mr. S. W. Tang) to win the opening event of the day in a fine finish by a neck, to pay the good dividends of \$113.50 and \$40.20.

Twilight Star, ridden by Mr. S. W. Pan, "came from nowhere" on the outside from the Public Stand, to beat Murray River (Mr. P. Wei) into third place and pay \$36.

#### RACE 2

##### CANTON HANDICAP

Another fine finish, featured by spectacular spurts by the first three ponies which brought them in from the Public Stand.

Oak Bay was leading for most of the distance, then, in quick succession, Moonlight View (Mr. L. B. Chao) on the rails, Humdrum Eve (Mr. H. C. Pih) and New Star (Mr. S. W. Pan) on the outside, passed her. Flank to flank, the two Lan ponies raced past the Press Box but Mr. Chao managed to keep his mount's neck in front. New Star was third, a length behind.

Somewhat surprisingly, Moonlight View was not much backed and paid \$61.90 and \$10.40.

#### RACE 3

##### ST. GEORGE'S PLATE

The interest in this race at the finish lay in the fight for first place between Eve of Harvest (Mr. D. Black) and Blue Express (Mr. C. Encarnacao) and for third between

Jennifer (Mr. B. A. Froulx) and Galaxy (Mr. L. B. Chao). The tussles ended in that order, with margins of a head, two lengths, and what could not have been more than a nose!

#### RACE 4

##### FATSHAN HANDICAP (1ST SEC.)

A dead heat for second place between Rose Emily (Mr. Encarnacao) and King Kong (Mr. A. W. Raymond) featured the first section of the Fatshan Handicap.

Mr. Pih on Hectic View was ahead with 14 lengths to spare; when the other two passed the Press Box King Kong was the least bit ahead and at the post it looked from here as though she would get the second place decision.

Though ponies thus far have kept their feet without apparent difficulty, the course is getting badly cut up and a spill or two is not unlikely.

#### RACE 5

##### BROKEN HILL HANDICAP

This was one of the most decisive events of the day, Triumphant Day (Mr. B. L. Tao) winning by two lengths, the same margin separating Chiltern (Mr. C. Encarnacao) and Devonian (Mr. D. Black).

Once again the majority of punters passed a good pony by, and Triumphant Day paid \$45.90.

#### RACE 6

##### CANTON HANDICAP (2ND SEC.)

Mr. Encarnacao and Mr. Needa, on Potentate and Just in Time, battled things out here, the former doing it by one and a half lengths.

Jobber was third by a short head, Mr. Raymond getting it there by a short head.

#### RACE 7

##### FATSHAN HANDICAP (2ND SEC.)

The first real surprise of the meeting, from the point of view of the book of form, though it did not result in anything like a sensational dividend, occurred in this event, Pinfarthings (Mr. C. Churchill) winning from a field comprising Rose-Queen (Mr. W. G. Poy), Laughing Girl (Mr. S. C. Liang) these two placing second and third, Lady Love, punters' favourite, and Amberley.

Not only did the pony win to pay \$75.80—there was never any doubt about its winning, the final margin being six lengths.

Mr. P. Y. T. Wei on Amberley had the misfortune of seeing his mount go lame at the Village Bend, from where she had to be walked back to the paddock.

#### RACE 8

##### HOBBART STAKES

The lowest all-round dividends for the meeting were paid in this race, which Bruno, Mr. G. Treverton's pony, with Mr. C. Churchill up, won by two lengths, from Ruby Star (Mr. S. W. Pan) third, one-and-a-half lengths behind.

There was little else in it.

#### RACE 9

##### KONGMUN STAKES

Another three-figure dividend in this novices' event wound up a day of satisfactory racing even if it was under unpleasant conditions.

Mr. W. K. Yeung, riding his own mount, National Service, sprung a surprise by beating Some Hope (Mr. Ip), a red-hot favourite, into

H. L. Collins, former Test captain, won the toss for them, and they scored 191.

second place by a length and a half.

### CHINA SURPRISE PORTUGAL

#### Eight-Two Win In International

#### GOOD HONG GAMES ON SATURDAY

(By "R.O.Y.")

Softball over the week-end provided good fare for fans. On Saturday two of the best Hongkong matches that have been played this season were seen, Socony beating Lucas 11-9, after four extra innings, and Dutch Bank beating Chartered Bank 13-12, while yesterday China scored an upset win in the international series, by taking the much-fancied Portuguese side eight to two.

The Chinese, incidentally, brought off a fine double, for the women's team beat Philippine Islands 14-9.

Although Socony were leading 7-1 at the end of the sixth inning, Ernie Figueredo blew up and allowed the Lucas boys to draw level. A. V. Gosano then replaced him and held the opposing gang to two runs while his side took the lead. The highlight of this game was a superb catch by Marques who ran to deep centre and left and held a line drive, with the bases full, and two down in the first frame.

The highly-touted Dutch Bank gang were surprised by Chartered Bank, who beat them 13 to 12 in the eighth stanza. The Dutch Bank were very much out in their defence work, and although the other side were not very much better, their pitching was stronger than that of the losers.

#### COSTLY ERRORS

China certainly took the Portuguese boys for a ride in the international series, taking full advantage of their numerous errors, even if they did not hit remarkably well in scoring their runs.

Eddie Gosano had an off day and was a bad disappointment for Portugal, failing to effect any of those hits for which he is usually relied upon.

A. V. Gosano played a very steady game, and Johnnie Alves pitched steady ball, but did not receive the support to which he is usually accustomed.

For China Bill Woo pitched an excellent game. As Tommy Chan did not turn out, Tommy Quon took over right field, and although he did not do anything in the field, accounted for a number of nice hits which were responsible for tallies.

The Ladies' game was never at any time of any interest. The Chinese were always in the lead and the Philippines ran them comparatively close only because the plot of the winning squad made many changes in order to give all selected members a chance to play.

### SOUTH CHINA 'A' WIN "DAILY PRESS" CUP

#### Defeat Navy In Final Of League Championship

(By "C.I.R.E.")

IN A SPLENDID MATCH played on a ground rendered difficult by the rain which fell but which fortunately held off for the duration of the game at Causeway Bay on Saturday afternoon, South China "A" defeated the Navy by four goals to nil to win the Senior Football League championship and with it the "Hongkong Daily Press" cup to add yet another trophy to the already imposing array displayed in the Caroline Hill clubhouse.

The Chinese this season have won five trophies, namely, Governor's Cup, Lai Wah Cup, Senior Shield, "Sunday Herald" International Charity Cup and the "Hongkong Daily Press" Cup. In spite of the inclement weather thousands of spectators packed the Navy enclosure on Saturday the open stands being one mass of umbrellas prior to the commencement of the game.

The Navy were not at full strength being without the services of such stalwarts as McAlister (goalkeeper), Dixon (centre-half), Fisher and Stills while the Chinese fielded a strong team the forward line including Ip Pak-wah who played a good game at inside-right.

Fung King-cheong was the hero of the day netting three goals to gain the "hat-trick" and leading the Chinese attack very well indeed. He was always a danger in possession and his uncanny anticipation when accepting passes was amazing. Lee Kwok-wai did a brilliant work at left back with Lee Tin-sang very much in the picture with his first-time clearances. Leung Wing-chiu was steady in the pivotal position and fed his forwards with judicious passes.

LAU SHINES  
Lau Tau-man, left-wing, who of late has not impressed gave a much improved display but was not quick enough with his shooting when in front of the Navy citadel. Lai Shiu-wing had an off day and was content to remain in the unusual position of left wing (having changed with Lau) in the second half.

Lau Fung-choi did good spitting work at left half-back and time and again saved the Chinese goal from dangerous situations.

The Navy, while enjoying as much of the attacking, sorely lacked finish and Lau Ka-ping was seldom, if ever, really tested. Armstrong sent across several splendid passes from the right but these went astray as the slippery ground made it difficult for the sailors to keep their feet. Moores and Thorburn were tireless workers while in the defence, Collinson and Hendy were steady and Dickerson, in between the sticks, brought off numerous fine clearances.

The first half saw fairly even exchanges with the Navy doing most of the pressing. Then the Chinese rallied and from a corner kick by Tang Kwong-sum, Fung headed the ball past Dickerson to give the Chinese the lead.

### SECOND LEAGUE RUNNERS-UP

#### Middlesex Win Title From 5th A.A. Regt.

The runners-up position in the second division of the Football League was decided on Saturday when the final match of the league was played off at Sothamptoo between Middlesex Regiment and the 5th A. A. Regt. B. A. The former side carried off the title with a score of 5 goals to 4.

Although the score indicates even play between the two teams, Middlesex were superior to the Gunners. The winners, throughout the entire first half of the play, did most of the attacking and scored two points through Jennings. The score remained at 2-0 when the whistle was blown for rest.

## Joan Blondell To Herald New Fashion Vogue

Joan Blondell will herald a new and startling vogue in the world of fashion when the first scenes of the Columbia comedy, "Good Girls Go To Paris, Too," in which she will be co-starred with Melvyn Douglas, get under way the latter part of this month.

Miss Blondell will be the first Hollywood star to appear in a picture appurposed in the new short skirts decreed for the coming season by fashion experts. Some twelve original costumes have been especially created for the star by Robert Kalloch, the studio's noted fashion designer.

Known as one of the most popular character actors on the screen, Walter Connolly will play a featured role in the new comedy. Connolly has been under long term contract to Columbia for several years, and this marks his first return to his home studio in more than a year.

Keyed to the modern tempo, and set against a lavish background, "Good Girls Go To Paris, Too" deals with the adventures of an ultra-modern girl seeking romance and luxury.

William Perleberg is now completing preparations to produce the comedy, based on the original story, "Miss Aesop Butters Her Bread," by Lenore Coffee and William Joyce Cowen. It will be directed by Alexander Hall.

## FILM STAR WANTS A BEAUTY LAW

### LORETTA YOUNG'S PLEA TO CONGRESS

NEW YORK — Every woman a beauty queen... Ten million homely faces transformed into screen-worthy lovelies—at the expense of the Government.

That is the dream of film star Loretta Young.

And she's going to work to turn her dream into a Federal law. She is seriously considering asking for a Bill to be introduced into the U.S. Congress to authorize a huge fund being set aside to transform 10,000,000 homely women into beauties.

Here's what she said recently: "I will guarantee any Presidential candidate next year who advocates a Federal Bureau of Public Beauty. He will get every feminine vote and win by a huge majority."

"My point is that any woman can look attractive if she has expert attention. Millions of women cannot afford beauty treatment."

"Now, the Government is spending millions on roads, bridges and dams. They're important; but not so important as pretty faces."

"The millions of dollars which would be spent in beauty work would save millions in the divorce courts."

"And it would make the country a better place to live in," concluded Loretta, turning back to the draft of her Bill.

## Popular Newspaper Cartoon Feature Film

### BLONDIE MEETS THE BOSS

Under the direction of Frank Strayer, production on "Blondie Meets the Boss," which carried the early working title "Blondie Steps Out," is now well past the half-way mark. This is the second of the series of these "Blondie" pictures which Columbia is producing, based on Chic Young's popular daily newspaper cartoon strip.

Penny Singleton, Arthur Lake, Larry Simms, Dorothy Moore, Danny Mummert, will again be seen in their original roles. Other players who have been signed are Jonathan Hale, Stanley Brown, Linda Winters, Joe Coffin, Don Beddoe and George Chandler. Sarah Edwards, Richard Fiske and Irving Bacon were added to the cast. Robert Sparks is supervising production.

Included among the pictures in which Miss Edwards has been featured are "Early to Bed," "We're On the Jury," "It's Love I'm After," and "Hollywood Hotel." Richard Fiske, since being placed under contract by Columbia has been seen in "The Little Adventurers," "West of the Santa Fe," "Adventure in Sahara," "The Thundering West" and "Blondie."

Mr. Bacon has been appearing prominently in pictures for many years. Some of his latest productions are, "Seventh Heaven," "Big Town Girl," "Big City," "Mary the Girl" and "Midnight Intruder."

## THE FILM SINCE 1898

### AMERICAN HISTORY IN PREPARATION

A three-volume history of the film is being prepared for the Film Library of the New York Museum of Modern Art by the W.P.A. Federal Writers' Project.

The first volume, which is expected to be ready by the spring, will be concerned exclusively with the artistic development of the film from 1898, when the film was considered by many as little more than an amusing scientific toy, to 1938.

The industrial aspect of the film will be discussed in the second volume. The subject of the third will be the film as an educational and social force.

### FILM LIBRARY

In recent years the Film Library has acquired numerous copies of important films made during the present century, and these, together with historical notes about them, provide a valuable source of reference for those engaged in writing the history.

The first volume will include a comprehensive list of the novels and plays that have been adapted for the screen. After Sarah Bernhardt's appearance on the screen at Hamlet there was a great demand for Shakespeare's plays, and in the early years of the century no fewer than 14 productions of 12 different Shakespearean plays were issued.

## Social Dancing

### "LAMBETH WALK"

#### English & American Innovations

The "Lambeth Walk" and its successors have destroyed the tyranny of the foxtrot which for 20 years has made the ball-room an unsociable place.

In America the need for more social dances has led to something like the revolution of new folk dances—the "Big Apple" being the most familiar of them. Now come Mr. and Mrs. Douglas Kennedy with a book of American Square Dances, which have a variety of figures whose order is determined at the discretion of the "caller."

The Kentucky Running Set is well known in England from its use by folk dancers, but the Square dances are carried out at a slower tempo. One result of this is that some of the tunes published in this new book have two different metronome figures assigned to them. The basic step is a walking step—note the affinity to the Lambeth Walk.

#### NATURE OF DANCE

The nature of the dance is also described by its origin, which the Kennedys trace from two different sources—one, of less importance, the sophisticated set dance of the nineteenth century known variously as the Quadrilles, Cotillions, and Caledonians; the other and richer source, "the folk tradition of round and chain dances of long ago."

In America these two elements have now met and mingled, and issued in this rich variety of comparatively simple but elastic and expandable social dances. The same combination of elements, the folk and the sophisticated, gave England in the seventeenth century the enormous corpus of dances to be found in the many editions of Playford's "The Dancing Master." Many of these dances, which are known to, and practised by, folk dancers, are suitable to the modern ball-room.

## NUN'S FACE DRAWS MURDER CONFESSION

The saintly face of a young nun has just caused a New Orleans man to confess to a murder he committed eighteen years ago.

Carl Vonhennik, aged thirty-four, gazing into the beautiful face of the nun as she tended him in hospital, cried: "At last I've courage to confess my sin." Lodged in a prison cell for drunkenness, Vonhennik, haunted for years by the crime, tried to hang himself. Cut down alive he was taken to the hospital.

Then he sent for detectives, told them how, as a sailor, in 1921 he killed a naval officer. He said that the nun's saintlike face and gentle ministrations had given him courage at last to relieve his conscience.

## PRINCESS JULIANA

### FAIRY GODMOTHER TO REFUGEES

Princess Juliana has put a despairing Hungarian Jew and his family on the road to new life in a Dutch colony because his baby girl was born on the same day as Princess Beatrix, her daughter—January 31 last year.

When Alois Siegfried, a clerk in Debreczin, a Hungarian country town, lost his job, he wrote in despair to Princess Juliana, asking her to help him, emigrate because, as a Jew, he had no chance.

He told her how his daughter shared the birthday of the little Princess. Soon came a letter from The Hague containing three first-class tickets to Batavia, in Batavia, and a personal letter of recommendation from Princess Juliana to the Governor of Batavia, in which the Princess requested the Governor to give the refugees every assistance.

The letter also contained a landing permit for the Siegfried family in Banning, and a substantial cheque for other expenses.

The Princess's letter gave them best wishes for their future. The generosity of Princess Juliana has impressed all Hungary.

## A FAMILY COINCIDENCE

An interesting April wedding will be that of a baronet's sister who is to be married to his brother-in-law.

Another curious coincidence is that April was his own wedding month.

Last April Sir Archibald Hope, baronet of Craighall, married Miss Ruth Davis, daughter of Mr. and Mrs. Carl Davis, of Storrington, Sussex. His sister, Miss Anne Hope, is to be married on April 29 to Mr. Raymond Davis, brother of Lady Hope.

Miss Hope's wedding will be in Edinburgh. She and Mr. Davis became engaged last July.

## FARMER'S WILL REQUEST

### Wife Asked Not To Re-Marry

ASHFORD (Middlesex) — Although he had been married fifty-three years and had eleven children and thirteen grand-children, seventy-seven-year-old George John Andrews, farmer, of The Orchards, Feltham Hill-road, Ashford, was so afraid that his little white-haired wife of seventy-one would remarry that he wrote in his will—

"I make a special request to my dear wife not to re-marry." Mr. Andrews left £9,495. He bequeathed all his money and property to his wife during widowhood, or the income from half for life in the event of her re-marrying.

"Up till now I did not know how much my husband had left me," Mrs. Andrews said. "He often asked me never to marry again, and I can assure you I never will."

## AUTHORESS MARRIED

### Saturday's Wedding At Registry

A wedding of considerable interest to many circles in the Far East took place at the Registry, Supreme Court, on Saturday, when Mr. Charles Henri Lauri, former adviser to the Chinese Government, was married to Miss Phoebe Minna Hayes.

The bride is generally known under her pen-name, Helen Hayes, while Mr. Lauri was formerly married to the late Juliet Bredon, author of "The Moon Year" and other books on China and daughter of the late Sir John Bredon, one time Inspector-General of the Chinese Maritime Customs, and Lady Bredon.

Mr. T. J. Gould, Deputy Registrar of Marriages, officiated at the ceremony, and the witnesses were W. T. Stanton and E. B. Stanton.

Two other marriages were solemnised at the Registry. Mr. Kwan Poon-lap, of No. 26 Blue Pool Road, was married to Miss Wong Kit-yu, of No. 4 Sam Wui Road, and Mr. Wong Cheung-wan, of No. 45 Peiho Street, was married to Miss Wong Gee-kit, of No. 124 Fa Yuen Street.

## Men Teachers Don't Want Women 'Heads'

Only a nation heading for the madhouse would force men to serve under spinster headmistresses, declared Mr. W. Barford, during his presidential address at the annual conference of the National Association of Schoolmasters at Nottingham on April 8. "Nearly 4000 women are teaching purely boys' classes," he pointed out.

Saying that there were still many bad school buildings, Mr. Barford declared,

"They stand like Bastilles in down-town areas, where indecent habitations, squalor, child mortality and social disintegration form the eternal enemies of teachers and child."

"A falling birth rate has always preceded the downfall of an Empire," he said later. "We are in danger of becoming prisoners of a freedom which has been our boast and pride."

### 30 LIMIT WANTED

Urging a "square deal" for school children, Mr. G. Chipperfield, of Hull, in his presidential address to the annual conference of the National Union of Teachers at Llandudno, on Saturday, suggested that "30 limit" signs might be borrowed from the Ministry of Transport to place at the door of every classroom.

"We believe that 30 pupils per teacher is a reasonable standard at which to aim in schools of every grade," he said.

The President of the Board of Education, after borrowing the "30 limit" signs might follow it up by "appointing his Majesty's Inspectorate as a courtesy squad to see that the limit is not exceeded." (Laughter.)

## Charity Ball

SPLENDID  
FANCY  
DRESSESCRINOLINE, CLASSIC  
CHINESE COSTUMES,  
CUTE, COMIC DOLL

## "ROSETTE"

VICTORIAN BEAUTY, classical Chinese ladies, gypsies, Spanish gallant, rumba dancer, doll, people of different nationalities and periods, wearing gay or sombre, striking or comical costumes, crowded the Grill Room of the Hongkong Hotel on Friday night.

But anyone thinking that Hongkong had suddenly become the most cosmopolitan social playground in the world would have been mistaken—the occasion was merely the fancy dress ball organised by the local branch of the National Women's Relief Association in aid of war wounded and refugees.

In such a galaxy of colour and originality it will require a whole page to describe even a tenth or twentieth of the costumes on view; here one can do no more than attempt to draw attention to the prize winners and others that attracted the eye.

## MISS JEAN MA

Miss Jean Ma, one of the most popular of local Chinese socialites, won the prize for the best costume with her exquisite crinoline creation. Of white silk net with posies of pale blue and pink flowers dotted here and there, her gown in itself was a picture; her pair of white silk trousers, of layers and layers of frills, emerged from a wide hooped skirt; for her accessories she had a white bonnet and a parasol of that period.

Her costume as a whole was so fresh and charming as to make one think of a particularly beautiful lady in a garden of pretty flowers.

## ANCIENT CHINESE BEAUTY

Miss Elsie Law, who has the features of the ancient Chinese beauties, chose a costume that suited her down to the ground, as was evidenced by the murmurs of admiration that greeted her when she walked up the floor for the grand march.

A knee-length jacket of multi-coloured sequins over a long white gown, hair piled high on her forehead and studded with flowers and trinkets, and with it all a face possessing that type of serene attraction that inspired China's gallants of old to deeds of glory—no wonder she literally walked off with the prize for this section.

## MISS BELLA MA

Petite Miss Bella Ma won the prize for the most original costume: when she stepped on the floor as a cute doll in a box there was never any doubt as to her getting the decision.

Her outfit was true to the smallest detail. She wore a knee-length dress of red cloth and layers of white cellophane paper, with coloured socks and rubber shoes to match, and a huge red bow perched on her head. Her face was well made up: two red, round patches were painted on her cheeks, her lips were done in an exaggerated manner, and—most outstanding feature—her eyelids were drawn with pencil lines that made them look as though they were lashes from a distance.

## "SENOR" HERBERT TONG

Miss Dora Chow, as a Spanish lady, won a special prize, for her partner, Mr. Herbert Tong, secured the award for the best man's costume. Mr. Tong's outfit was of green velvet, embroidered with gold, with, of course, the inevitable sombrero. Miss Chow's gown was of a red shawl over a black and green skirt, with a high head-dress of black lace.

THE PRIZE WINNERS—Misses Elsie Law, Jean Ma, Bella Ma and Mr. Higginbotham.

Mr. Higginbotham won the other prize for men, dressed as a Burmese. He had on a red and white jacket with a pink sarong.

## MISS ELSIE WONG

Amongst other participants, Miss Elsie Wong's choice easily stood out. She was gown-ed as an Arabian princess—a pink veil studded with sequins covered her head, showing only her pair of lovely round eyes; a black jacket embroi-

IN SPANISH COSTUME—Miss Dora Chow and Mr. Herbert Tong.

dered with sequins over a pink blouse; a pair of mauve balloon trousers with a purple sash; huge diamonds round her throat and numerous bracelets reaching up to her elbows—they made her's perhaps the most sparkling costume there.

Others were Miss Hu Huk-lan, as a Chinese bride, Mrs. Rose Tan as a Chinese lady of 30 years ago, Miss Salina Luk as an ancient Chinese girl, Miss Patricia Ho as a rumba dancer, Miss Priscilla Ho as a Hungarian gypsy, Mrs. Wong Man as Queen of Spades, and Misses Camilla Pang and Audrey Ho as gypsy dancers.

The sound of the explosion was audible from quite a distance, and fire appliances rushed to the scene.

The nature of the explosion is unknown.

CHINA'S  
SOUTHWEST  
DEVELOPMENT

MANY CHINESE are inclined to take a philosophical view that the invasion of China by the Japanese is a blessing in disguise. It has at least brought about unity and it has shown that China's armed forces are by no means inferior to those of Japan. It likewise has displayed a spirit of bravery and determination among the Chinese people which caused surprise the world over. It has also given the Chinese an opportunity to develop the southwestern part of their country in a manner which may truly be described as "miraculous."

FROM ALL REPORTS which we have received from the interior, this development has been going on under the aegis of the National Government at an amazing pace and, during the last eighteen months, the changes which have been witnessed have equalled those which have taken place during the past half a century. True, there is much to be done but what has already been accomplished is amazing. Communications, electric lighting facilities, educational facilities all have shown remarkable strides forward but what strikes one most is the industrial development.

CHINA'S coastal towns and cities may have suffered terrible damage as a result of the barbaric Japanese air raids but the morale and the spirit of the Chinese people has not been and can never be dampened. What Japan has destroyed along the coast is being rebuilt in the interior provinces at a pace which the invaders never dreamed of.

WORKING hand in hand with big industrialists, small promoters and the various provincial authorities, the Chinese National Government is taking a highly active part in this development, in fulfilling the nation's vast reconstruction programme by turning the once "wild" southwest into a "golden" south-west.

Under the Central Government's two main organizations, the Ministry of Economic Affairs and the Southwest Reconstruction Commission, many activities aimed at self-sufficiency and "boosting" exports have already been carried out while others are still under careful study by experts. Apart from Government activities, there are such private interests connected with this great reconstruction movement as the \$1,000,000 West China Development Corporation, which has annual business dealings of some \$5,000,000; the West China Land Reclamation Co., having a capital of not less than \$5,000,000; the \$10,000,000 Dah Hwa Industrial Corporation; and a number of overseas investments projects, the most outstanding of which is the \$30,000,000 plan to exploit Yunnan Province by Mr. Au Bon-haw, the Singapore Chinese industrial magnate.

THE PROVINCES of Szechuen, Yunnan and Kweichow are sparing no efforts in pushing forward their economic and industrial development programmes. Szechuen is receiving special attention from the Government, which henceforth will monopolize the marketing and transportation of wood oil, the province's staple export product and one of China's leading foreign exchange producers, and the result is that

## ST. GEORGE'S DAY

SPECIAL SERVICES HELD AT  
CATHEDRAL & ST. ANDREW'SWreath Laid At Cenotaph  
By St. George's Society

LOCAL OBSERVANCE OF ST. GEORGE'S DAY, WHICH THIS YEAR FELL ON A SUNDAY, consisted of a special service at St. John's Cathedral yesterday morning, attended by many members of the St. George's Society of Hong Kong, and, immediately afterwards, the laying of a wreath at the Cenotaph.

A special Scouts' Parade Service was also held at St. Andrew's Church.

His Excellency the Governor, Sir Geoffrey Northcote, was amongst those who were present at the Cathedral. Others present included His Excellency the Commander-in-Chief, Sir Percy Noble and Lady Noble, Mr. J. K. Bousfield (President of the Society), the Hon. Mr. N. L. Smith, the Hon. Mr. S. H. Dodwell, Mr. P. S. Cassidy and others.

Lessons were read by His Excellency the Governor and the Hon. Mr. Dodwell, and the preacher was the Dean, the Rev. J. L. Wilson.

## DEAN'S SERMON

The Dean, in his sermon, said that many English traditions were in danger of being lost. The tradition of family, in particular, was being assailed from many sides, and the situation was a danger to the state and to civilization.

He was not urging strong divorce laws, said the Dean, though in some instances divorce was the only solution to a domestic problem. But he appealed to Englishmen to make an effort to preserve, in the right spirit, the fine English tradition of family and, through true fidelity in the family, ensure the progress and the safety of the nation.

Referring to moral convictions, the Dean said that these also had suffered in recent years. The truths and ideals which Englishmen love and which had been won at tremendous cost should be defended. The fine example of many Englishmen who would rather die than give up what they believe, ought to be uppermost in the mind of English people.

## LOVE OF THE COUNTRY

The Dean also spoke of the love of country, the sights and sounds of the English countryside, which had nurtured and brought forth the finest in national life, and asked what Englishmen were doing to preserve it. He did not mean by love of country any boastful, selfish nationalist pride, but that love of the good things of his own country and the desire that they should be shared and enjoyed by his fellows which distinguishes the true internationalist.

These characteristics of English national life should be upheld and defended in the true Christian spirit, said the Dean.

## AT THE CENOTAPH

After the Cathedral service, the Committee of the Society proceeded to Statue Square, where Mr. J. K. Bousfield laid a wreath bearing a floral representation of the ensign of St. George at the foot of the Cenotaph.

Among those present at the ceremony were the Hon. Sir Henry Pollock, the Hon. Mr. S. H. Dodwell, the Hon. Mr. T. E. Pearce, Mr. H. V. Wilkinson, Mr. H. B. L. Dowbiggin, Mr. E. Cock, Mr. P. S. Cassidy, Mr. F. C. Hall, the Dean of the Cathedral and others.

## SCOUTS' CHURCH PARADE

A Scouts' church parade was held at St. Andrew's Church after morning service yesterday, in observance of St. George's Day, troops participating being the 4th Kowloon (Garrison Scouts) and 1st Kowloon (St. Andrew's). The 1st Kowloon Cub Pack also attended. A group photograph of

## Hello &amp; Goodbye

(BY A. W. HYER)

Usually the large steamers of commercial lines calling at Hongkong are gay with people; aboard there is a bubbling spirit creating a mood of excitement, happiness and adventure. The hurrying, sometimes fighting, baggage coolies, the pier visitors, hawkers, ship's band, confetti, and such travel trimmings produce a holiday atmosphere which practically everyone enjoys.

However, all this festivity was lacking yesterday; people thronged the pier, the band played and the coolies were there but the tragedy of the sad drama produced by the 1000 refugees arriving and departing on the s.s. Conte Blancamano overshadowed any pleasure in travel.

When the large white steamship of Lloyd Triestino arrived in the harbour, Sunday morning from Europe, her decks were thickly populated. Down the gangway, young, old, men and women with children, slowly made their way to branch in every direction. Into the Colony streets they walked, up and down Hongkong and Kowloon thoroughfares they stopped and stared at buildings, people and scenes. But there were no smiles on their faces, the main expression being heavy, weary and grim.

The stop-over here was only for a few hours; back to the Conte Blancamano they made their way, climbing the gangway, then to the promenade deck to stand and stare with blank expressions. The big steamer, crowded, left the pier at noon, and got under way for Shanghai. In the Northern city this particular group of humanity will swell the refugee ranks to over 7,000; what they can do, what will be their fate, only time can tell!

## President Taft

FRIDAY MORNING 12.20 a.m. the American President Line steamer got under way for Shanghai and America. The passenger list and cargo being the heaviest from this port in many, many moons.

A la Shanghai and homeward sailed Mr. A. V. T. Dean, number one of Butterfield and Swire in the North, and accompanying the gentleman who did not believe in discussing business at such unearthly hours as early morning, was Mr. A. L. Whipples, traffic representative of the same firm in the same office. Their departure finished off a short business call in this city.

Absolutely happy and full of expectations for a perfect voyage and good time were Mr. and Mrs. A. L. Womack, connected with Asiatic Petroleum Co. Los Angeles is their destination, but they will be coming back.

Holiday-bound, and at the peak of excitement, was Miss M. G. White. This popular young lady is bound for San Francisco. Secretary to Mr. J. H. Taggart, Hongkong and Shanghai Hotels; all the pounding of typewriters and pushing of pencils will be dispensed with in the next four months to come; it is going to be an honest vacation!

Mr. and Mrs. F. M. Williams, of Mollaca, are travelling to San Francisco. With them are two important passengers, not exactly first class! We should say "Class extraordinary." And indeed, they are quite unusual, one being a huge friendly police dog who scares you on the first look, but welcomes you with much licking the next moment. His companion is a little Siamese kitten. Papers galore have been necessary to transport these two members of the Williams family; they certainly have their travelling degrees. And they expect to like America a great deal!

Father Thomas Donovan, of the Maryknoll Mission, went sailing to San Francisco, evidently he had succumbed to slumber and we did not have the opportunity of a personal "goodbye."

A busy commuting broker, Mr. F. S. Elias, of S. E. Levy and Co., in Shanghai, was just visiting here on a short business call. "Be back in a couple of months," says he.

## m.v. Gneisenau

SATURDAY MORNING, 8 o'clock, the German boat was in from Europe and southern ports.

Mrs. L. Lucker and little Miss Marion Lucker, with exclamations of joy and gladness, flew into the arms of Mr. Lucker who was equally pleased with the family reunion.

Two other families called in the city. Mr. and Mrs. W. Bals with their two sons, and Mr. and Mrs. G. Zeppernick with their daughter.

Approximately 150 refugees were travelling in the German motorship to Shanghai; this group appearing a little happier and more comfortable.

## Shanghai-bound

THE "ALL-ABOARD for Shanghai" whistle, took three blasts at 7 p.m. for the m.v. Gneisenau on Saturday.

Friends and business acquaintances certainly gave some "speeding-off" to Mr. M. Jensen of the shipping firm under his name. New motorships being built in local yards and a general office inspection required his presence in Hongkong. Now, he is going back to his office and family in the North.

Another executive in the steamship business is Dr. A. Korff. All Melchers and Co. turned out to bid "adieu" to the busy official of their company returning to his home and business in Shanghai.

Mr. and Mrs. F. Rasch and Master B. Rasch were very pleased with their forthcoming trip to Shanghai in the informal motorship. Manila is the home port for these three vacationers who are taking various calls with plenty of time and leisure.

s.s. Conte Blancamano

SUNDAY MORNING the Conte Blancamano arrived from Europe and southern ports with an international passenger list, to say the least!

Captain D. Bennett, Mrs. Bennett, and two young daughters, travelled from Bombay. Though we had no chance for conversation with members of this family, we had a look at the baggage, it almost seemed as if they were going into the trunk business!

Up to our city from the sticky, Philippine climate came Mr. Augustus Drakeford, and Mr. and Mrs. A. Ames. These three travellers are a popular representation of Standard Vacuum Oil Co. in the south. Business calling are they?

Shanghai-bound

NOON YESTERDAY the Conte Blancamano backed from her pier, and turned down the bay, headed for Shanghai.

Mr. G. D. Beatty, of the Texas Oil Co., returns to his health and business in the Northern city. His call was very short.

Two gay travellers were Mr. and Mrs. A. B. Tyrrell, of R. C. A. Victor. They were anxious to return to Shanghai and there many friends down to wave them away.

General Motors Mr. P. Buerger went sailing home after a short call in Hongkong.

A Hello!

IN SOME WAY OR other a new resident, in the Colony came down a gangway and was away before we could secure an introduction. Speaking of Mr. Patrick Donohue at this point. In the last month this goodlooking British subject arrived on his first visit to Hongkong, and is visiting his uncle, Sub-Inspector L. Tyler.

Young Donohue's presence in the social activities of the Colony should be an asset, his reputation of song and voice having been made in New York City's radio studios and on the stage. Also his Scouting accomplishments all a dash of 20 inches in width and a yard in length. These being a few of the bashful young man's accomplishments, it is hoped he will make an extended visit and lend his personality to Hongkong's goings-on!

BANK OF CANTON  
PROFIT

A net profit of \$1,023,638.37 was announced at the annual meeting of shareholders of the Bank of Canton, Ltd., held on Saturday. The profit included the sum of \$32,105.44 brought forward from last year.

Mr. Hu Wei-chun was appointed Director in place of the late Mr. Ho Yun who passed away on September 22 last.

Mr. W. Gockehin, managing director of Wing Co., Shanghai, and a member of the Shanghai Municipal Council has arrived here from the Northern port on a brief business visit.

# AXIS POWERS ARE EXPECTED TO EXERT PRESSURE ON YUGOSLAVIA

## SUGGESTION TO JOIN ANTI-COMINTERN PACT

BERGRADE, APRIL 23 (REUTER).—POLITICAL CIRCLES SUGGEST THAT YUGOSLAVIA WILL BE ASKED TO JOIN THE ANTI-COMINTERN PACT OR AT LEAST ESTABLISH EVIDENCE OF DISINCLINATION TO JOIN THE ANGLO-FRENCH DEFENSIVE ALLIANCE.

Further pressure is expected to be exerted on the occasion of the visit of the Foreign Minister, M. Markovitch, to Berlin which is now fixed for April 26. Responsible circles do not believe that Yugoslavia will allow herself to be entangled.

## "GERMANY HAS GIVEN WARNING"

### BERLIN NEWSPAPER'S BELLIGERENT TONE

BERLIN, APR. 23 (REUTER).—A BELLIGERENT TONE IS ADOPTED BY THE "VOELKISCHER BEOBERACHTER," the Goebbels paper, following the martial display on Herr Hitler's birthday.

"Germany," it says "has given its warning. The army will answer for the fulfilment of Germany's vital rights."

It ends on the note: "Hitler! Gives us your orders. We will follow them!"

ALLEGED OUTRAGES  
A new list of alleged cases of gross ill-treatment of Germans in Poland has been issued by the German news agency.

A message dated Gliwicz asserts: "Anti-German provocation of the Polish Western League is beginning to show more serious consequences daily."

"Hitherto the measures taken by the Polish authorities have proved inadequate."

DIVIDED UP  
BERLIN, APR. 22 (T/Ocean).—The Nazi Government to-day passed a law reorganising the administration of the Sudetenland.

Sudetenland is now divided into three districts, each headed by a Government.

## NEW NAVAL BASE

### Further Decrees By France

PARIS, APR. 23 (REUTER).—Construction of a new naval base at Port Merselkebir, west of Oran, is foreshadowed in one of a series of decrees just issued, embodying yesterday's Cabinet decisions.

The decree empowers the Government to acquire the necessary land and forbids new building in the zone without military licence. Further decrees were promulgated to-day authorising credits totalling nearly £20,000,000 for national defence.

## EUROPEAN FACES ASSAULT CHARGE

H. K. Muller, the local sportsman, appeared before Mr. R. Edwards at the Central Court on Saturday on a charge of assault on a police officer, Nur Khan, while in the execution of his duty at Blake Pier on Saturday morning.

Nur Khan is now in Queen Mary Hospital, as a result of the alleged assault. Detective-Sergeant A. A. Shaw prosecuted, and the case was remanded till 10 a.m. to-day. Bail was fixed at \$250.

OPTIM CHARGE  
Appearing before Mr. R. Edwards at the Central Court on Saturday charged with the possession of 70 tael of opium, Li Hon-wai, a travelling trader, was remanded for three days.

Mr. G. S. Ford appeared for the defence, while Revenue Officer Colledge was for the prosecution. Bail was allowed at \$1,000.

STRANGE BEHAVIOUR  
Lam Ah-chol, 20, who acted in the dock at the Kowloon Court on Saturday in an unusual manner, was remanded by Mr. E. Hims-worth for medical examination.

Sgt. McDermott, who prosecuted, stated that Lam, who was charged with larceny by snatching, had behaved in a perfectly normal manner when arrested and charged.

## Appeal To Government Not To Side With Aggressors

Ten thousand young Yugoslavs, representing a diversity of organisations and all shades of party opinion, attended a meeting at the Belgrade University.

A resolution was adopted in favour of Democracy, appealing to the Government not to cover secret adhesion to the aggressors with a cloak of neutrality.

VENICE, April 23 (REUTER).—It is stated that Count Ciano's first conference with M. Markovitch, Foreign Minister of Yugoslavia, began in a very good atmosphere.

In an interview in the train, prior to his arrival in Venice, M. Markovitch emphasised the excellent impression in Yugoslavia by the recent statements of Signor Mussolini and Count Ciano regarding Italy's friendly intentions.

Italian political circles believe that the proposed pact between Hungary and Yugoslavia will be one of the main points of discussion during the conferences.

POLAND'S ANXIETY  
WARSAW, April 23 (REUTER).—There is no relaxation of the partial mobilization which is estimated to be costing the country more than £40,000 daily.

The population of Danzig is expecting an early change of status, but public opinion in Poland is utterly unprepared for any concessions. Meanwhile, arrests of Polish subjects of German origin for insults against the state continue.

Gen. Laidoner, Chief of the Estonian Army, who arrived on Tuesday for staff talks with Polish experts, has postponed his intended departure until Monday.

THE BALKANS  
Closest attention is directed to Axis pressure in the Balkans, and particularly in Yugoslavia and Bulgaria.

It is rumoured in Paris that an attempt is being made to harmonise the divergences of Yugoslavia and Hungary, and that Yugoslavia has been offered Salonika to be taken from Greece, in return for the restoration of Hungary's 1913 boundary.

SLOVAK PROTEST  
BRATISLAVA, April 23 (REUTER).—The Slovak Government has lodged a protest in Budapest in consequence of yesterday's border shooting.

## European States Reply To Nazi Questionnaire

LONDON, APRIL 23 (T/Ocean).—ANSWERS TO GERMAN QUESTIONNAIRE REGARDING PRESIDENT ROOSEVELT'S MESSAGE WERE RECEIVED ON SATURDAY from the Governments of Belgium, Finland and Lithuania. It is reported here.

The Belgian answer is said to contain the statement that Germany, England and France guaranteed Belgian integrity in 1937 and Belgium has no reason for doubting the word given by any of these great Powers.

Finland, according to an official announcement made in Helsinki, stated that Finland did not feel that her neutrality was menaced by Germany.

The Lithuanian answer refers to the agreement between Germany and Lithuania which was drawn up following the return of Memel District to the Reich. In this agreement, Germany pledged herself never to resort to armed strength against Lithuania.

## "Lying Democratic Press"

### Dr. Goebbels Orders Monster Campaign

BERLIN, APRIL 23 (REUTER).—DR. GOEBBELS, MINISTER FOR PROPAGANDA, has ordered a monster press campaign against the "lying democratic press which is driving the world to war."

The campaign is particularly directed against Britain. The papers will demand that the Democracies should censure their press.

The campaign's object apparently is to support Herr Hitler's anticipated reply to President Roosevelt's suggestion and the various countries who feel threatened by Germany.

## CARS MISSING

A Morris Minor, No. 4019, the property of Major Archer, of Branksome Towers, was stolen from a car park near the Star Ferry between 2.30 p.m. yesterday.

## Isolation Of France In Europe

### AXIS AIMS

In the meantime, diplomatic activity continues unceasingly in Europe.

## BRITISH TRADE MISSION TO RUMANIA

### Germany Hurrying Up Operation Of Economic Pact

BUCHAREST, April 23 (REUTER).—With the British Trade Delegation due to arrive on Monday, official and business circles are much embarrassed by the speed with which the Germans are trying to put into operation their recently signed Economic Agreement.

Herr Wohltat, who negotiated the agreement between Germany and Rumania, is now back in Bucharest and two delegations, of fifteen German businessmen each, have just arrived.

It is announced to-day that the designer and principal constructor of the German motor-roads is due to arrive shortly to study the possibilities of building strategic roads.

The first area of oil bearing land for exploitation by a German-Rumanian Company to be formed under the treaty has already been allotted.

A Rumanian deputation of five left for Berlin to-day to study means of adapting Rumanian trade, now that Czechoslovakia is included in the Reich.

The Pul Ying Middle School celebrated their 60th anniversary at the Hop Yat Church yesterday, with a Thanksgiving service. The celebration was followed by an entertainment at St. Mary's Church, Causeway Bay, together with an art and photographic exhibition.

CHUNGKING, April 23 (Central).—The Chinese People's Foreign Relations Association has sent a cablegram to President Roosevelt, voicing opposition to the "cash and carry" provision in the United States neutrality legislation and requesting the cessation of shipment of arms and ammunition and other war materials to Japan.

## ABERDEEN LAUNCHING CEREMONY

### FOUR FISHING JUNKS

FOUR NEW FISHING JUNKS, built by subscription among the Hongkong fishing community to provide work for those of their fellowmen who lost their livelihood as the result of Japanese atrocities, were launched with ceremony at Aberdeen yesterday.

Preceding the actual launching, a mass meeting was held at the Heung To Theatre, at which addresses were delivered by Mr. Hsieh Fen-shen, chairman of the Hongkong Fishermen's Association, Mr. Liu Hol-ping, representing Mr. Hsu Shih-ying, vice-chairman of the Chinese National Relief Commission, Mr. Chen Li-shen, representative of the Committee of the British Fund for the Relief of Distress in China, and Miss Wong Ying, of the Wartime Dramatic Corps.

After the meeting, the gathering proceeded to the yards, of Messrs. Wah Hop, the builders, where a guard of honour was provided by about 100 students from the three free schools supported by the Fishermen's Association.

MUSIC AND CRACKERS  
The launching ceremony, which was accompanied by music, and firing of crackers, took the form of the cutting of ribbons, which was performed by 50-year-old Mrs. Lo Hing-tai, an honoured member of the fishing community, who during the severe typhoon of September 1937 saved the lives of more than 200 persons.

According to present arrangements, five persons will be allowed to man and use each junk for a period of two months. Of the trading profits, 90 per cent. will be retained by the users of the junks and 10 per cent. will be contributed to a special fund which will be devoted to the building of more craft to succour other distressed.

CASH AND CARRY PROVISION OPPOSED  
CHUNGKING, April 23 (Central).—The Chinese People's Foreign Relations Association has sent a cablegram to President Roosevelt, voicing opposition to the "cash and carry" provision in the United States neutrality legislation and requesting the cessation of shipment of arms and ammunition and other war materials to Japan.

The cable expresses support to his appeal for guarantee of peace by the Fascist Powers.

## JAPAN "IRRITATED" BY BRITISH POLICY Warning To Britain

TOKYO, April 23 (REUTER).—The "Kokumin Shimbun" says that Japanese official and private circles are "greatly irritated" at the news that Britain is not only seeking a rapprochement with the Soviet, but also intends to extend the Democratic front to the Far East.

Japan may have to reconsider her attitude towards British rights and interests in China, the newspaper says.

The news is construed as indicating that Britain "is assisting in the Bolshevisation of East Asia."

What diplomatic action the Government will take against Britain is a matter for serious consideration, the journal declares.

FLAG BAN DEMANDED  
SHANGHAI, April 22 (REUTER).—The Japanese authorities to-day made formal representations to the Shanghai Municipal Council, demanding a ban on the display of Chinese Nationalist flags in areas under its jurisdiction.

The Japanese also demanded the complete suppression of all manifestations, particularly in the press, connected with the Chinese national spiritual mobilisation movement.

The Japanese demands follow similar demands made to, and accepted by, the authorities in the French Concession several days ago.

FOREIGN PRESS INCLUDED  
The Japanese demand for suppression of publication of news relating to the Chinese national spiritual mobilisation movement, also applies to foreign registered newspapers, says Transocean.

The Japanese Consul-General linked up the recent terrorist acts with the spiritual movement, which is also held responsible for the display of the Kuomintang flag in the International Settlement during National Spiritual Mobil

## SCOTTISH CUP FINAL

## CLYDE DEFEAT MOTHERWELL

LONDON, April 22 (Reuter).—A crowd of over 100,000 today saw Clyde defeat Motherwell by 4 goals to 0 in the final of the Scottish Cup at Hampden Park in cold but sunny weather.

Motherwell kicked off with the wind behind them, and Mathie tested the Clyde goalie, Brown, in the first minute.

Clyde retalked and Murray punched a high shot from Noble over the bar.

Motherwell had a couple of chances but Brown saved from a corner and again when Breininger sent in a low shot.

After a period of even play, the Clyde defence was severely tested but Wallace scored for Clyde after half hour.

Half time arrived with Clyde leading by 1-0.

MARTIN SCORES TWICE

In the second half, Clyde, assisted by a strong wind, thoroughly outplayed Motherwell. Martin scored a brilliant goal soon after the interval, after which Noble put on a third.

Martin clinched the issue before the end.

# LEE WAI-TONG & FUNG OBTAIN "HAT-TRICK"

## South China "A" Defeat Interport Eleven

(By "C.I.R.E.")

TWO "HAT-TRICKS," ONE BY LEE WAI-TONG AND THE OTHER BY FUNG KING-CHEONG, were the only bright features of an otherwise drab exhibition football match played at Caroline Hill yesterday when South China "A," Champions of the Senior League, defeated the Rest (including eight of the players selected for the Manila Interport) by four goals to three.

### FUNG SCORES

A large crowd was present to witness the match among those present being the Hon. Sir Atholl and Lady MacGregor, Mr. M. K. Lo and Mrs. Lo, Mr. Lo Tung-fan, President of the S.C. A.A., the Hon. Sir Souse-Chow and the Hon. Mr. N. L. Smith. At the conclusion of the game, Mrs. M. K. Lo presented the trophies and souvenirs.

There were several changes made in both teams. South China "A" were without Leung Wing-chiu and Lai Shiu-wing who are on the injured list. Lau Hing-choi filled the pivotal berth with Leung Pak-wai at right-half and Kwok Ying-ki transferred to the left-half position.

The Interport team was without Beltrao, Hussain taking his place at centre-half while David Leonard came in for Courtney at inside-right. Honnball was seen at left-half instead of E. Strange.

### KWOK AND LEE

Outstanding performances were by Kwok Ying-ki who covered a tremendous lot of ground in defence while Lee Kwok-wai at left back partnered Lee Tin-sang well. Lau Hing-choi did what was expected of him while Pau Ka-ping handled many shots with his usual steadiness.

Fung was once again the brains of the attack and his uncanny scheming and dribbling was so much for Hussain who also proved to be slow in tackling. Lau Tung-man showed bursts of speed on the left wing and repeated the good performance he gave on Saturday against the Navy.

For the Interport side, Hau Yung-sang and Sheehan were unsafe in the defence in the first half both their clearing being weak but in the second half the pair showed up better especially Sheehan. Tam Kwan-kon brought off some neat saves between the sticks.

In the attack Lee Wai-tong was too well marked to do anything dangerous but the three goals he obtained were typical of his calibre.

## ST. GEORGE'S DAY

(Continued from Page 8)

all the scouts who attended the service was taken later.

### VICAR'S SERMON

The Rev. J. R. Higgs, Vicar of St. Andrew's, preached an eloquent sermon. He said, in part:—

To-day, Englishmen, throughout the Empire and the world, remember the patron saint of their country, St. George. No doubt one reason why you Scouts have chosen to-day for your Church Parade is because it is St. George's Day. It is a matter for thankfulness that recent years have seen an increase of devotion towards our national saint, for it would be a bad to-day for England if she forgot St. George. He has about him a soldierly directness and simplicity, a knightly courtesy and a faith that is at once confident and joyful. He is in fact the epitome of our race at its best—all that we desire to be and all miss by so much.

St. George was in reality a soldier of the Cross and as such very appropriately our patron saint—"the unknown warrior" who laid down his life for Christ.

One wonders why it is that the profession of arms has so often produced such magnificent Christians. I believe it is because there is a spirit in the soldier that has something in common with that of the Religious. He is a man under discipline for certain ends although we many disagree with those ends. Discipline fosters its own grace of simplicity, directness and humility. The roots strike deep where they cannot stray.

### SOLDIERLY DISCIPLINE

It was the spirit of soldierly discipline that once made its appeal to Englishmen, but it has been an unpopular word for some years now. Maybe our present anxieties in the world will help to revive it again. Everybody has been so busy expressing themselves so terrified at repression that any kind of restraint seems to constitute a new impiety. The

result is dissipation of vitality and a restless, dissatisfied spirit. Our baptism should remind us of the soldierly character of our vocation.

And we all need that sort of courage in the Christian life. To be able to stand alone, to see the smile of worldly superiority, to be out of the fashion, to take a different road from our friends, to have our life perhaps accounted madness. This was the sort of courage we see in St. George and this is the sort of courage that is so essentially Christian.

### GREAT PRINCIPLES

Since the 14th century, St. George has been the patron saint of England and, on St. George's Day, we think of our country and thank God that we belong to a great Christian nation standing almost alone in the world for the great principles of liberty, free speech, constitutional monarchy, fair play and justice. To hear some people talk one would imagine that all patriotism is out-of-date and wrong. But though there is a bad patriotism, a superficial and blustering jingoism, there is also a good kind, a deep, true love of our native land for its own sake.

What can we do for England? As members of the great worldwide communion of the Church of England and as individuals, let us by following the example of Christ's warrior, St. George, set the right example for God, and straight and honest living and so do our best in our day and generation to live as good soldiers of Jesus Christ.

## CHILD MISSING

A six-year-old male Hakka child, Shum Kan, believed to have been kidnapped, has been reported missing from his home at Ngai Tsin Wai village, Kowloon City, since Friday.

The police are looking for a man and his wife who are suspected of having some connection with the child's disappearance.

# INTERNATIONAL HOCKEY IS WON BY ENGLAND

## Portugal Lose In Scrappy Match

Before a good number of spectators on the Club ground, King's Park, yesterday, England won the final of the International Hockey Tournament when Portugal was defeated by two goals to nil.

In a very scrappy game, Portugal had much the worse of the first half as it was apparent from the start the Portuguese forward line was no match to England's. The Portuguese side revived for the early stages of the second half to make some fine runs on the English goal, where they found Osman as rock-steady as in the semi-final match with India.

S. A. Fowler's goal in the first half, and G. H. Fowler's goal in the second half were the only two good scoring opportunities offered England, and both were taken. Beyond these two chances, R. Xavier, especially, at right back, and Eddie Gosano, at left back, took good and effective care of all inroads on the Portuguese goal. Xavier played very well, and in no small degree saved Portugal from being routed as completely as India was on Friday.

### MARQUES IN FORM

R. Marques, in the right-half berth, contributed in no small measure to the several successful runs on the English goal by the Portuguese, the half and back lines playing a more conspicuous part here than the forwards. Inaccurate shooting in front of goal robbed Portugal of a chance to tie the English score, and good work by Osman prevented first Gosano and then Pinto from being included in the list of scorers.

For England, S. A. Fowler excelled and his stick work was much the finest on either team. Gemmel, at inside right, played a much better game than usual, while G. H. Fowler and Lt. Hook, commanded a little of the spotlight.

Bond's play was not up to the standard he exhibited in the match against India, and the other members of the half and back lines were not in top form.

Portugal, all points considered, played well. The forward line lacked combination, the halves played to a monotonous tempo, and E. A. Alves, in goal, could have played better. To be fair, it must be stated that Portugal did put up a better show, and against the same side, than did India.

### The teams:

England: Pte. Osman; V. C. Bond, L. Bdr. Carter; Bdr. Dilmott, Lt. Hook, E. Fowler; S. A. Fowler, E. R. A. Gemmel, G. H. Fowler, Bdr. Marshall and A. E. P. Guest.

Portugal: E. A. Alves; R. Xavier, Dr. E. L. Gosano; R. A. Marques, J. B. Goncalves, A. M. Alves; R. M. Silva, Dr. A. M. Rodrigues, J. M. Pinto, N. A. Beltrao and A. F. Souza.
